### Notes:

- JV & Varsity level does not permanent hold any athlete in place. Athletes can move up levels based on their performances during the season and space availabilities with invitational meet entries.
- Athletes will only compete in 9 meets per FCPS & VHSL rules even though we have 10 regular season meets on the schedule.
- Meet A & B = 1 meet even though they are on different days
- Athletes who attend the Nike Invitational - probably would not attend the Mullins/Russell invitational
